**REQUEST FOR CERTIFICATE OF CORRECTION
PURSUANT TO 35 U.S.C. § 255 AND 37 C.F.R. § 1.323**

Dear Sir:

Transmitted herewith is a Certificate of Correction for U.S. Patent No. 7,089,753 B2 issued on August 15, 2006. Upon reviewing the patent, the patent owner discovered that reference numerals from the figures were in Claims 1, 2, 4 and 5 and were not deleted during the prosecution of the corresponding patent application. As a result, the patent owner respectfully requests that the reference numerals be removed from those claims by the issuance of a Certificate of Correction. More particularly, because the presence of reference numerals in the aforementioned claims constitutes a mistake of a clerical nature, a mistake of a typographical nature and/or a mistake of

minor character, and the proposed correction (i.e., the deletion of the reference numerals from the claims) is not believed to involve changes which would constitute new matter or require reexamination, the patent owner's undersigned attorney respectfully submits that the present Request for a Certificate of Correction complies with 35 U.S.C. § 255 and 37 C.F.R. § 1.323. In such circumstances, the patent owner respectfully requests the issuance of the attached Certificate of Correction.

The patent owner and its undersigned attorney thank the Commissioner for considering this Request. Should anyone in the Certificate of Correction Branch have any questions about this Request, he or she is cordially invited to contact the undersigned attorney at the telephone number indicated below.

The Commissioner is hereby authorized to charge \$100 to Deposit Account No. 501561 to cover the fee set forth in 37 CFR §1.20(a). If any additional fees are due in connection with the submittal of this Request, the Commissioner is hereby authorized to charge them to Deposit Account No. 501561.

Respectfully Submitted,
